## Sadoff and Rudoy Industries to Suspend Retail Scrap Buying Operation in Oshkosh

OSHKOSH, Wis. (May 15, 2009)- Sadoff and Rudoy Industries (SRI) will be suspending its Oshkosh retail scrap buying operations at 36 E. 10<sup>th</sup> Avenue to further pursue our Foundry Blends operation at that location. Scrap purchasing service from the general public will end on Friday, May 29, 2009.

Industrial customers will see no change as Sadoff will continue to service these accounts from one of their five (5) other Wisconsin operations. The only change will be that the Oshkosh location will no longer be accepting individual scrap metal drop-offs at the 10<sup>th</sup> Avenue site.

The suspension of the Oshkosh retail scrap buying operation is due to the impact the current recession has had on scrap metal volumes and pricing.

Sadoff operates five other retail drop-off locations in Wisconsin:

- Sadoff Iron & Metal Co.**, 240 W. Arndt St., Fond du Lac (920) 921-2070
- Lawent Iron & Metal**, 478 Huron St., Berlin (920) 361-1450
- Alfred Muchin Co.**, 1600 S. 26<sup>th</sup> St., Manitowoc (920) 684-3388
- Gus Holman Co.**, 3313 N. 21<sup>st</sup> St., Sheboygan (920) 457-2431
- Sadoff Iron & Metal Co.**, 1901 Lineville Rd., Green Bay (920) 434-0137

Sadoff and Rudoy Industries, LLP, founded by Edward Rudoy in 1947 is a ferrous and nonferrous scrap metal recycling company with headquarters in Fond du Lac, WI. The company, which has six operations in Wisconsin, and another in Lincoln, Nebraska, provides scrap metal recycling services to industry; and ferrous and nonferrous melt products to foundries, mills and smelters. Sadoff conducts business in more than 35 states as well as Canada, China, Mexico, Taiwan and India.
